NANCY JANE JAMERSON WEILAND (1947-)

Nancy Jane Jamerson, a native of Pamplin, Virginia, the daughter of Kester Winfred Jamerson and Cora Ellen Williams of Appomattox County, Virginia, was born 19 September 1947 in Lynchburg, Virginia. She was educated in Appomattox County and studied at Phillips Business College in Lynchburg. She also studied in the Famous Writers School. She married William Luther Weiland, son of Frank Weiland and Ruby Carwile, on 24 July 1983 in Lynchburg, Virginia.

During her career, Mrs. Weiland has worked as Administrative Assistant at the Lynchburg Fine Arts Center and as Office Manager of the Lynchburg Historical Foundation. In 1996, she began working at Jones Memorial Library, first as an administrative assistant and later as a research assistant. She served on the Board of Historic and Architectural Review for the City of Lynchburg from 1990 until 2000.

Mrs. Weiland has also served in various offices in the Garland Hill Neighborhood Association. Garland Hill is an historic district in Lynchburg and the Association works to preserve, rehabilitate, and maintain the architectural richness of the district. She also served on the Community Development Advisory Committee and the Neighborhood Resources Committee for Lynchburg.

Mrs. Weiland is a member of numerous hereditary societies, including United Daughters of the Confederacy, Daughters of the American Revolution, and Colonial Dames of America 17th Century. She is also a member, past-president and director of the Woman's Club of Lynchburg.

Along with numerous volunteer activities in Lynchburg, Mrs. Weiland is also a published author and has written numerous articles for *Lynch's Ferry*, a local historical magazine. She first published *History of Pamplin, Virginia* in 1970. The book has been revised and reprinted several times. She has also been an instructor in beginning genealogy.

Among her many accomplishments is her research into the history of prostitution in the City of Lynchburg. She began her research on the "Bawdy Ladies" in 1982. Her portrayal of "Lizzie Langley", a 19th-century Madam, at the City Cemetery sparked great interest in the "Ladies," and she has been guest speaker on the topic to several area organizations.
