

# Do You Remember This?

AUG 12 1949

Can you identify members of this team—the first to represent Lynchburg in a professional loop? They played in the original Virginia League back in 1898. Fisher Darley, whose firm, S. O. Fisher, Inc., outfitted the organization, says third man from left in center row was team captain Smith and the second man in the same row was George Brown, pitcher. The late James McLaughlin, former postmaster, was manager. Mrs. E. L. McCarron Dugger, owner of the picture, told Mr. Darley every purchaser of a season ticket in those days received a free photo of the team—face foliage and all.
