

Personnel ~ ~ ~

On this page and the following pages we present the men and women who make up our organization today. Many of the modern tools of the trade have been employed to expedite the flow of business, but the human element remains the primary consideration in our operations. Here are pictured the individuals who by their loyalty and industry give life and meaning to all our activities.

QUARTER CENTURY CLUB

We are especially proud of this group. Eighteen of our associates have been in continuous active employment for 25 years or more. The total years of service is 568 for an average of 32 years each.
