

Miss Elizabeth Gish.

#2.

May 18, 1939.

I think it only right to advise you of the situation or rather call your attention to the various provisions which your records will doubtless show, inasmuch as the establishment of a Museum by the City was made subject to the provisions referred to. I, therefore, have some doubt as to the provision for funds for operation other than has stated in the conditions quoted above.

Very sincerely yours,

R. W. B. Hart,
CITY MANAGER.
