**RAGGED ROBIN GARDEN CLUB**

The Ragged Robin Garden Club was organized in April 1951, sponsored by Mrs. William O. Bristow. Mrs. Peyton L. MORGAN served as first president of the Club. In addition to participating in numerous flower and garden shows, the Club provided flower arrangements for the Florence Crittenton Home and also maintained planters at a local nursing home. In 1976, the Club published *A Gardener's Album: a collection of selected home and garden ideas*. Proceeds from the sale of the book enabled the Club to share in other civic beautification projects.

A member of the Lynchburg Council of Garden Clubs and of the Virginia Federation of Garden Clubs, the Club has received numerous awards for participation in the Keep Lynchburg Beautiful project. In 1986, the Club organized an Educational Exhibit as its contribution to the Lynchburg Bicentennial Flower Show.
